

25 JUNE 2020

In this episode, Paul Chapman, Managing Partner of HC, discusses financing the commodity markets and the challenges and opportunities presented by current events with Christine McWilliams, Global Head Commodity & Energy Trade & Client Management at Citi.

What is unique about financing in and for the commodities markets? What have been some of the major trends and changes in client expectations since the global financial crisis? Impact of COVID-19? What can banks and clients do to protect themselves? Digitalization and the bank industry's role? ESG and the commodities sector?

The HC Insider Podcast

Each day, around the world, we have fascinating one-on-one conversations with our connections. Our collaborators are uniquely informed, creative and inspirational in their fields. We want to provide our community a seat alongside us, listening in to these conversations in that special way podcasting provides as we tackle topical and people related issues with the leaders and leading minds in our sector.

This article was produced as part of HC Insider. HC Insider is Human Capital's dedicated media service. In addition to providing subscribers with relevant and informative editorials, we also report on people moves in the energy and natural resource world.
