

PODCASTS

14 MAY 2020

In this episode, Paul Chapman, Managing Partner of HC and John Massey, head of ECTP's Houston office and a cross-commodity trader discuss the impact of COVID19 and what it highlighted about the state of the current commodity markets.

*Does the concert like movement of commodity prices show real market fundamentals or simply how passive investors and algorithms now dominate the few discretionary traders left? What are the lasting impacts of the pandemic on the market participants and will we see a renaissance in active trading once again?*

The HC Insider Podcast

Each day, around the world, we have fascinating one-on-one conversations with our connections. Our collaborators are uniquely informed, creative and inspirational in their fields. We want to provide our community a seat alongside us, listening in to these conversations in that special way podcasting provides as we tackle topical and people related issues with the leaders and leading minds in our sector.

This article was produced as part of HC Insider. HC Insider is Human Capital's dedicated media service. In addition to providing subscribers with relevant and informative editorials, we also report on people moves in the energy and natural resource world.
